Subject: Dimock Tox Data Reports for Review

Tito, Eugene, Janine,
Shortly you will be receiving an email from [REDACTED] Ex. 4 - CBI from Lockheed Martin with the 20 tox reports from the 2nd week of sampling at Dimock., Attached is the residential key which will help with your review. [REDACTED] Ex. 4 - CBI will include a note that we are still working on separating some of the data, since some residents share wells or springs. Separate tox reviews will be prepared for each home.
